## ANZUP Scientific Program and Pre-Conference Meetings 2017: The Art and Science of Best Practice

### MONDAY, 17 JULY 2017

<table>
<thead>
<tr>
<th>Time</th>
<th>Event</th>
</tr>
</thead>
<tbody>
<tr>
<td>7.15am – 8.15am</td>
<td>Breakfast</td>
</tr>
</tbody>
</table>
| 7.15am – 7.35am | Translational Breakfast: Session Chair: Ian Vela  
Immunotherapy development in uro-oncology – new immune targets, biomarkers of response and resistance  
Peter Black |
| 7.35am – 7.55am | The genomic landscape of BRCA2-mutant prostate cancer  
Renea Taylor |
| 7.55am – 8.15am | Bone metastasis in prostate cancer  
Peter Croucher |
| 8.30am – 10.30am | Plenary: In Best Practice, Great Science is an Art Form  
Session Chairs: Declan Murphy & Carmel Pezaro |
| 8.30am – 8.45am | Official Opening:  
Welcome: Professor Helen Zorbas AO, (CEO Cancer Australia)  
Mr Frank McGuire MP (Victorian Parliamentary Secretary for Medical Research)  
Ian Davis (ANZUP Chair) and Carmel Pezaro (Convener) |
| 8.45am – 9.05am | Defining deliverables of multiparametric Magnetic Resonance Imaging (mpMRI)/Ultrasound (US) fusion-guided targeted prostate biopsy  
Alex Kutikov |
| 9.05am – 9.25am | St Gallen APCCC 2017 – Defining best practice in routine care  
Silke Gillessen |
| 9.25am – 9.35am | Question Time 1  
Robert Lee |
| 9.35am – 9.55am | Prostate hypofractionation: 4 - 5 weeks or 4 - 5 fractions?  
Bente Thoft Jensen |
| 9.55am – 10.15am | Rehabilitation impacts on HRQoL in advanced cancer pathways  
Kevin Stein  
Sponsored by PCFA |
| 10.15am – 11.00am | Question Time 2 |
| 10.30am – 11.00am | Morning Tea  
Sponsored by Ferring |
| 11.00am – 12.10pm | ANZUP in Action  
Session Chairs: Fritha Hanning, Mark Frydenberg  
Sponsored by: ANZUP  
Grand Ballroom |
| 11.00am – 11.10am | Update on CAP  
Belinda Jago |
| 11.10am – 11.20am | Bladder Cancer Sub-Committee  
Dickon Hayne |
| 11.20am – 11.40am | EORTC trials, opportunities for collaboration  
Silke Gillessen |
| 11.40am – 12.50pm | Concept Pipeline Update  
Subcommittee Chairs |
| 12.50pm – 1.50pm | Lunch  
Sponsored by Bayer |
| 1.50pm – 3.10pm | Maximising Potential  
Session Chairs: Suzanne Chambers, Dickon Hayne  
Sponsored by: Ipsen  
Grand Ballroom |
| 1.50pm – 2.10pm | Physical prehabilitation in RC pathways  
Bente Thoft Jensen |
| 2.10pm – 2.25pm | Exercise medicine: Evidence and implementation in GU oncology  
Prue Cormie |
| 2.25pm – 2.50pm | Prediction of pT0 disease in bladder cancer  
Alex Kutikov |
| 2.50pm – 3.00pm | ANZUP TOLMAR 2016 Fellowship recipient report  
Arun Azad |
| 3.00pm – 3.10pm | Renal Cell Cancer Sub-Committee  
Sponsored by: Ipsen  
Craig Gedye |
| 3.10pm – 3.30pm | Afternoon Tea  
Sponsored by: Ipsen  
Craig Gedye |
| 3.30pm – 4.30pm | Best of the Best Orals  
Session Chairs: Shahneen Sandhu, George Hruby  
Sponsored by: Astellas  
Grand Ballroom |
| 3.30pm – 3.40pm | A distinct plasma lipid signature associated with poor prognosis in castration – resistant prostate cancer  
Lisa Horvath |
| 3.40pm – 3.50pm | KEYNOTE-045: open-label, phase 3 study of pembrolizumab versus investigators choice of paclitaxel, docetaxel, or vinflunine for previously treated advanced urothelial cancer  
David Quinn |
| 3.50pm – 4.00pm | Non-invasive selection and monitoring of active surveillance candidates using NMR-based metabolomics: a preliminary investigation of seminal plasma  
Matthew Roberts |
| 4.00pm – 4.10pm | Predicted benefits of adjuvant sorafenib after nephrectomy for renal cell carcinoma (RCC) in SORCE: an international, placebo-controlled, randomised phase 3 trial  
Nicola Lawrence |
| 4.10pm – 4.20pm | Trajectories of distress in female partners of men diagnosed with prostate cancer  
Kirstyn Laurie |
| 4.20pm – 4.30pm | Previous ADT duration moderates the exercise response in men with prostate cancer  
Dennis Taaffe |
| 4.30pm – 5.00pm | Annual General Meeting (Open to ANZUP members only)  
Grand Ballroom  
Discussions |
| 5.00pm – 6.30pm | e-Poster Presentations  
Sponsored by: Novartis  
Grand Ballroom |
| 7.00pm – 11.00pm | Conference Dinner  
Grand Ballroom |

### TUESDAY, 18 JULY 2017

<table>
<thead>
<tr>
<th>Time</th>
<th>Event</th>
<th>Location</th>
<th>Notes</th>
</tr>
</thead>
</table>
| 7.30am – 8.30am | Emerging Leaders Breakfast  
  Maturing as a Surgeon During a Transformative Time in Urology: When Dogma was Questioned and When Surgical Technique Underwent a Rapid Change  
  The Joy of Good Research | Grand Ballroom       | Session Chair: Ian Vela, Alex Kutikov, Liz Kenny                      |
| 8.45am – 10.00am | Immuno-Oncology in GU Cancers  
  Session Chairs: Andrew Weickhardt, Amy Hayden  
  Sponsored by: Roche | Grand Ballroom      | David Pook, Peter Black, Shankar Siva, Haryana Dhillon, Peter Grimison |
| 8.45am – 9.00am | Immunotherapy in GU Cancers                                           |                         | David Pook                                                           |
| 9.00am – 9.20am | Immunotherapy for non-muscle invasive bladder cancer                  |                         | Peter Black                                                         |
| 9.20am – 9.35am | Combining radiation with immuno-oncology – why and how?               |                         | Shankar Siva                                                        |
| 9.35am – 9.50am | Managing patient expectations on (and off) immune-oncology agents     |                         | Haryana Dhillon                                                     |
| 9.50am – 10.00am | Germ Cell Cancer Sub-Committee                                        |                         | Peter Grimison                                                      |
| 10.00am – 10.30am | Morning Tea                                                          |                         |                                                                    |
| 10.30am – 12.00pm | Maximising Quality, Minimising Harm  
  Session Chairs: David Pryor, Peter Fong  
  Sponsored by: Tolmar | Grand Ballroom     |                                                                    |
| 10.30am – 10.55am | Brachytherapy is the best (old) new technology for radiotherapy delivery |                         | Robert Lee                                                          |
| 10.55am – 11.15am | Managing sexuality in prostate cancer patients                        |                         | Kath Schubach                                                       |
| 11.15am – 11.35am | IGCCC Testicular Cancer Update                                        |                         | Silke Gillessen                                                     |
| 11.35am – 11.50am | Managing hypogonadism in testicular cancer survivors                  |                         | Ada Cheung                                                          |
| 11.50am – 12.00pm | QoL & Supportive Care Sub-Committee update                           |                         | Suzanne Chambers                                                    |
| 12.00pm – 12.45pm | Lunch                                                                |                         |                                                                    |
| 12.45pm – 2.00pm | Addressing the Challenges with Trials  
  Session Chairs: Mei Krishnasamy, Leslie Land  
  Sponsored by: Astellas | Grand Ballroom   |                                                                    |
| 12.45pm – 1.00pm | Improving clinical trial access to rural, regional and rare cancer patients – A telehealth approach |                         | Sabe Sabesan                                                       |
| 1.00pm – 1.10pm | Incorporating geriatric oncology assessment into GU clinical trials   |                         | Christopher Steer                                                  |
| 1.10pm – 1.25pm | Using trial infrastructure efficiently: platform, factorial, and umbrella trial designs |                         | Andrew Martin                                                     |
| 1.25pm – 1.35pm | Does one size fit all?                                               |                         | Richard De Abreu Lourenco                                           |
| 1.35pm – 1.50pm | Has the era of ADT monotherapy come to an end?                       |                         | Henry Woo                                                          |
| 1.50pm – 2.00pm | Prostate Cancer Sub-Committee                                        |                         | Scott Williams                                                     |
| 2.00pm – 2.20pm | Afternoon Tea                                                        |                         |                                                                    |
| 2.20pm – 3.40pm | Managing Uncertainties in Practice  
  Session Chairs: Nick Brook, Aneta Suder | Grand Ballroom     |                                                                    |
| 2.20pm – 2.40pm | Role of renal biopsy “always, sometimes, or never”                   |                         | Alex Kutikov                                                       |
| 2.40pm – 2.55pm | Genetics testing – implications for advanced prostate cancer          |                         | Ainsley Campbell                                                  |
| 2.55pm – 3.20pm | Case Discussion: Should we use adjuvant treatments in penile cancer management? |                         | Nathan Lawrentschuk                                               |
| 3.20pm – 3.50pm | Debate: Should Best Practice be About Art or Science?                |                         | Facilitator: Joseph Ischia, Andrew Kneebone, Suzanne Chambers, Andrew Mant, David Quinn |
| 3.50pm – 4.30pm | Awards and Close  
  Best of the Best Awards | Grand Ballroom       | Ian Davis                                                          |
